CARRIED OFF HIS SILVER.

Thieves Rob a Chinese Storekeeper on Maui.

Lahaina, December 22.

Last Friday night a Chinese storekeeper at Kanaupali, named Lum Sing, left his store about 9 o'clock. He returned at 3 a. m. and found that a window had been broken in, and his trunk, containing clothing and forty dollars in silver coin, had been carried off. The trunk containing the clothing was found in the morning among the bushes makai of the government school house, but the coin was gone.

The thief must have cut his hand in breaking the window, for there was blood on and about the window spring and on the floor of the building.

A warrant has been taken out for a native named Kanaupali for burglary. It will probably be served in the morning.

After hearing all the testimony and arguments of defendant's counsel, one of the jurors in the August Reimann case was taken ill, and the case had to be postponed until next term of the court.

The Circuit Court adjourned sine die this morning.

AN AUTHORITATIVE OPINION.

OMAHA, Neb., December 10.—Mr. Toru Hoshi, the Japanese Minister to the United States, passed through the city of Omaha this evening, en route to Washington, accompanied by his private secretary. In an interview with a representative of the Associated Press, Mr. Hoshi admitted that the object of his mission to Japan was to ascertain the views of his government on the proposed annexation of Hawaii, and to procure instructions from the Mikado relative to the course he was expected to pursue in case the treaty should be ratified by Congress.

SUNDAY SCHOOL DELEGATES.

The Helene leaves at 5 o'clock this evening for Hana, Maui, carrying on board the delegates to the Sunday school convention and a committee to attend the dedicatory exercises of the new Hana church. Quite a large party will go up. A grand luan will be spread for the visitors at Hana tomorrow. The Helene, with its passengers, will return to Honolulu on Monday evening.

TO SHOOT DEER.

Miss Duncan, a teacher in the government schools, has gone to Molokai to shoot deer. She will return in time for the opening of school next year.

MANAGER McMILLAN HERE.

J. S. McMillan, manager of the Tacoma and Roach Harbor Line Company, which does a large business in the Islands, arrived this morning on the R. M. S. Aorangi, and will spend a few weeks in the city. He is combining business and pleasure.

BUSY DAY FOR THE JUSTICES.

This has been a busy day for the Supreme Court. Col. G. F. Little, who came down from Hilo yesterday, was in court today and argued in the case of J. G. Serrao against J. R. Rernao. This case was submitted.

The case of J. S. Canairo against J. G. Serrao was submitted on briefs.

DICKSON HAS HIS TROUBLES.

Olaf Sorenson was commanded to appear in Judge Stanley's court this morning and bring with him the books of the Marine Railway Company, showing the employment of Thomas Dickson.

Mary J. Dickson, who is suing for a divorce from Dickson, has applied for temporary alimony and counsel fees. Dickson filed an affidavit yesterday that he was utterly unable to pay alimony.

Dr. McMillan also testified in behalf of Dickson.

Nothing has been done in the matter as yet.

IT'S FASHIONABLE

This will be the last week that Iwakami will keep the Ehlers store on Bethel street, and extra inducements are offered to close out the large stock of Japanese goods, vases, cups and saucers, toys, etc. Everything must be closed out. A handsome French fan presented to each customer this week.

Shadow of Herself

Stomach Was Too Weak to Retain Food

A Complete Cure Effected by Hood's Sarsaparilla

Now Enjoying the Best of Health, With Digestion Perfect.

"My mother was subject to sick headaches and indigestion for over a year. She was unable to stand for any length of time, and was obliged to stay in a dark room as she could not bear the light. She had no appetite whatever and her stomach was so weak she could not retain what food she did eat. She also had severe pains in her head. She suffered so much that she became but the shadow of herself. One day I happened to read a testimonial about Hood's Sarsaparilla. It

Sounded So Truthful

I persuaded her to try this medicine. Before finishing the first bottle there was an improvement in her condition. She no longer threw up her food and her headache was not so severe. She took in all four bottles of Hood's Sarsaparilla and several boxes of Hood's Pills and regained her weight. She is now enjoying the best of health. Her digestion is good and she can eat almost anything she wishes. She is 42 years old and says she feels as well as when she was 16. Hood's Sarsaparilla made a complete cure in her case."
